## October 20-21

### RAISING DONATIONS FOR A COMMUNITY/DISTRIBUTION CENTER IN JAVILLAR, DOMINICAN REPUBLIC

We all have so much to be thankful for. These past months, there have been so many natural disasters all over the world. This year for Thanksgiving we are raising money to help with recovery from Hurricane Irma in the Dominican. We also plan to build a community/distribution center in the growing, yet poor community of Javillar in the Dominican Republic.

This will be a place for community events, vocational classes, and a facility for the distribution of donated clothing, shoes, school supplies and hygiene items. As we are working together with Canadians and Americans we scheduled the event in between both our Thanksgiving Day

**Celebrate as we invite you to please donate on our Giving Days, October 20-21**

Charitable Tax Receipts will be issued.

## OUR REALLY BIG GOAL!

On October 20-21, we have set a goal to raise \$48000 in 48 hours in our Thanks-Give-a-Thon

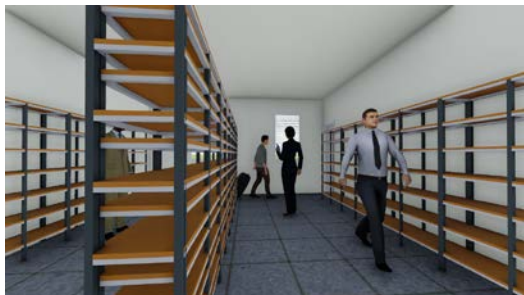

Fundraising activities include:

- ❖ Axe-Throwing Tournament, October 21, 9:00am-2:00 pm
- ❖ Online auction: October 20-21 ending 10:00 pm
- ❖ 50/50 draws
- ❖ Online bake-sale
- ❖ Cash donations on online You Caring Sites
- ❖ Individual and family fundraisers

**THE NEED IS GREAT!** Every year, hundreds of travelers bring thousands of pounds of clothing, shoes, food, school supplies, hygiene kits and household items to the Dominican Republic for donations to the poor. This is a great blessing for the people there, but we need a permanent location where these can be stored, and displayed for distribution. The area has suffered so much with the flooding last year and hurricanes this year.

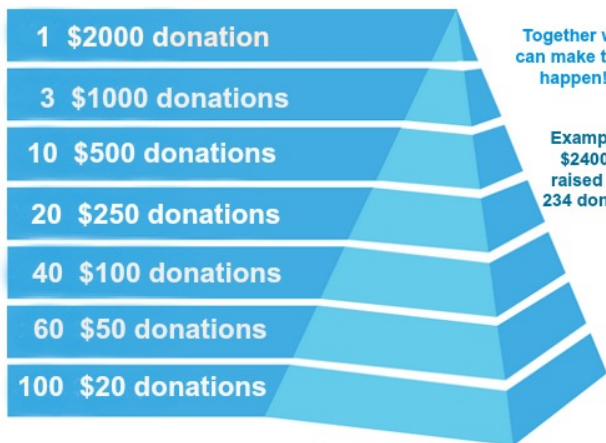

Architectural drawings of our new center

Examples of how we can accomplish our big goal to raise \$48000 in 48 hours:  
 This is based on raising \$24000 in the USA and \$24000 in Canada.

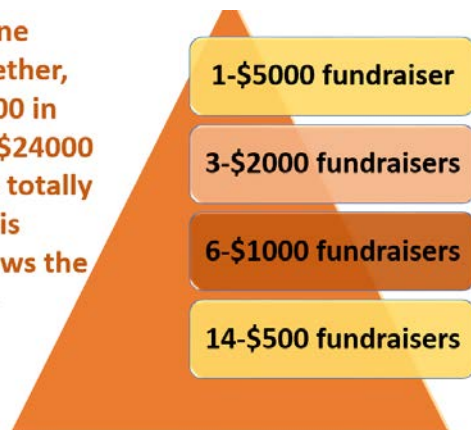

The first example is based on donations. The second one is based on fundraisers. We can't do this alone, but we know that as a joint effort, it can happen! Any way you can help and any amount is greatly appreciated.

Together we can make this happen!

Example: \$24000 raised by 234 donors

With everyone working together, raising \$24000 in Canada and \$24000 in the USA is totally possible! This example shows the results of 24 fundraisers.
